FACULTY OF THEOLOGY AND RELIGION

Dear Delegates/ Student Leaders

Faculty Student Council

The **Theology and Religion Faculty Student Council (FSC)** of the University of the Free State is honored to extend a formal invitation to you to participate in the upcoming Intersvarsity Tour, scheduled to take place from **9 July 2026 to 12 July 2026 at the Bloemfontein Campus**. The theme for 2026 is **Faith in a Changing World: Religion, Identity, and Ethical Leadership in Contemporary Society**

This four-day engagement has been carefully designed to bring together students and student leaders from various higher education institutions in a shared space of dialogue, learning, and collaboration. The programme will run from Thursday to Sunday, and it includes structured academic sessions, interactive workshops, and social engagement activities to foster both intellectual growth and meaningful interpersonal connections.

The Intersvarsity Tour is rooted in the vision of strengthening inter-institutional cooperation while promoting holistic student development. It provides a platform where students can critically engage with pressing issues affecting higher education, student governance, and society at large, while also learning from the diverse experiences and practices of other institutions. Beyond academic and leadership engagement, the tour also seeks to cultivate unity in diversity by encouraging cultural exchange, mutual respect, and social cohesion among participants.

Through these engagements, the FSC aims to contribute to the development of well-rounded student leaders who are not only academically capable but also socially conscious, collaborative, and equipped to drive positive changes within their respective institutions and communities.

Your attendance would be greatly appreciated
